i'm 99.9% sure you mentioned somewhere that you would prefer to be privately summoned so here it goes:

?? okay i'm a little confused

"As you know, I elected myself Voluntary Leader of the Forum Army."

then:

"I did not nominate myself ruler of the forums."

? is there...really a difference..?

also:

"Such as if there is another catastrophe LIKE Hurricane, they will be ready to create funny or hope lifting posts. Rps or something like that."

okay so a few things:
1) you admit that the hurricane thing was in fact a catastrophe
2) ? um why are people expected to be happy even in times of catastrophe? like, I can get being hopeful, but happiness makes it seem like you don't understand what's even going on
3) RPs are not helpful in times of catastrophe. in times of "catastrophe", it is helpful to address the situation. it is not helpful to ignore and/or distract from it

also mentioning what other people said:

• this army-whatever thing doesn't seem like a shoulder to cry on?? it's like "heyyyy in times of crisis we are going to be happy! in a somewhat questionable manner!"

• why are there "titles for fun" when something like this should be taken seriously

• you used the word "attack", and that is not really what's happening and makes me worried about how you read situations. we're debating

• yeah, it's their choice if they want to join, but it sounds like you won't accept people who aren't necessarily ready to forgive Hurricane and/or Maelstrom

• also, another note, why is "Quartz" in italics? it sounds like you are angry at Quartz. i may be reading it wrong, but i am concerned about it

• i'm not trying to start a flame war, i'm questioning the army and i'm genuinely concerned.

First off, Ruby, i would love to say Thank You! You respected my thoughts on being privately summoned and have asked really nicely. That's rare to find and it really helps. Thank you!

My sole purpose was to just create something happy for people in catastrophe's to get diverted from. Somewhere they could have fun and forget if they wanted to. If they didnt, that was totally their choice. They can stay sad if they would like. {And I'm not meaning to sound rude if i do}

mother army thing was just something to make it funny, but everyone took it the wrong way so in sorry for that . My apologies.

Quartz in italics was purely the result of a phone only slightly older than the Ice Age XD and it won't do what I want it to, even submitting before I'm ready.

I am totally respectful of whether someone wants to forgive Hurricane/Malestrom, since Malestrom is my friend. And a nice one at that. Even Ishmael poured out he didn't want to police people and i agree wholly.

Alright! Did I miss anything? And once more, thank you for doing this privately

woah okay i keep forgetting when i've posted something on the forums and there is a hecking ton of things to reply to

@Ellysia

- okay, glad that's cleared up
- okay
- i also have a bad old phone, so i can relate
- ...you didn't particularly mention what your thoughts are if someone doesn't want to forgive Hurricane/Maelstrom though. maybe i didn't make it very clear, but that's what i was asking; it was implied that membership to your army was limited to people who forgive her, and that people who don't forgive her are denied

@Grendel and Scorch

• i'm just reading and replying to what Ellysia previously said. i'm sorry if it looks like overcriticsm, but i had a lot to say, so i said it. grendel, you don't have to be sorry? you didn't do anything wrong. you disagree with me, yes, but that is not the same as doing something that requires an apology

@Ellysia and Scorch

• opal may not have been here for that long, but she has certainly been more active than ellysia in the past year or so she's joined. she has 97 pages of posts, ellysia has 50. personally, i joined in 2016 and was extremely active until a few months ago, and i don't recall seeing ellysia when i was active. your time in the forums is not measured entirely by how long ago you joined; it's also measured by how active you were, and ellysia doesn't seem to have become active until recently. opal probably doesn't remember seeing ellysia until recently, so i can see why she would think ellysia was a newer forumer. also, based on what i've seen, there is definitely a difference between forumers who have not become active until recently and forumers who have been active for a very long time

@Ellysia okay, so when talking directly to me, you've been very nice and courteous, but then you go ahead and say things like "i'm being attacked" or "accused" or things. i'm not accusing you of anything? i'm just asking stuff, so...i'm still kinda worried.

also, the fact that the post got such a high number of stars is a sign that i am not the only one who is concerned and that there are others who agree with me

My 'army' is not limited to people who forgive Hurricane.

It is something when i had that in the form that allowed me to see a bit of how they felt. Where they doing this to help others, or because they needed some help as well.

I couldn't forgive Malestrom at first. So many things had happened for a hurricane and i was mad when I realised it was all a ploy. But I want to be there for Mealstrom, *all the way*, even if dont entirely trust that what she's told us is the truth.

I do appreciate you asking me like this, but the way you are asking is actually tilted towards trying to get me to explain faults you've found so you can call me out.

@i know Alpha, thx

Also, i haven't seen you around? Did you just come active cause you wanted to ask me something or...
